Lawyer's

Mission Statement

I will provide my services with skill, professionalism and understanding, endeavouring always to:

- a) communicate with my clients promptly and clearly and to keep them informed about the status of their files and the fees and costs they are responsible for;
- b) provide value for my services;
- c) treat people with integrity and understanding; and
- d) actively participate in my community and in the practice of law in a manner consistent with the high ethical ideals of the legal profession.
